

# *Library Neighborhood Challenge*

Dear Neighbors,

Our neighborhood: \_\_\_\_\_

is participating in the Neighborhood Challenge. Our goal is to raise \$500 to donate to The Pubic Library at Tellico Village.

The library will honor our efforts by placing a bronze leaf on the Giving Tree in the library lobby. The leaf will sit on a special limb with other neighborhoods that have met the Challenge. However, more importantly the \$500 will go toward sustaining the library itself.

As you may know, the library is supported by the community and funds are raised by the Friends of the library to pay the mortgage, utilities, and the maintenance of the building, grounds and the collections.

Help us reach our \$500 goal.

Please return a check made out to the FOTLV to :
